Pay for Student Meals Online with My School Bucks

Muenster ISD is excited to offer **MySchoolBucks®!** This online payment service provides a quick and easy way to add money to your student's meal account using a credit/debit card or electronic check.

You can also view recent purchases, check balances, and set-up low balance alerts for **FREE!**

MySchoolBucks provides:

- **Convenience** - Available **24/7 on the web** or through our **mobile app** for your smartphone
- **Efficiency** - Make payments for all your students, as well as other school-related payments (t-shirts, field trip fees, athletic shoes, etc.). Eliminate the need for your students to bring cash or checks to school.
- **Control** - Set low balance alerts, view account activity, recurring/automatic payments & more!
- **Flexibility** - Make payments using credit/debit cards and electronic checks.
- **Security** – MySchoolBucks adheres to the highest security standards, including PCI (Payment Card Industry Data Security Standard) and CISP (Cardholder Information Security Program).

Enrollment is easy!

1. Go to www.MySchoolBucks.com and register for a free account.
2. Add your students using their (1) school name and (2) birthdate or student ID.
3. Make a payment to your students' accounts with your **credit/debit card or electronic check**.

A program fee of 3.95% will be assessed to each transaction to ensure payment security and provide for the simple and convenient use of the web portal and mobile app. You will have the opportunity to review any fees and cancel if you choose, before you are charged.

Each student has an individual meal account and will not be “tied” to the siblings’ accounts. With the MySchoolBucks online service, parents are able to specify the exact amount each child should have in their account. **If a family writes one check, please specify on the envelope or on an enclosed note, the amount each student should receive in their account.**

Charges will be **7 meals per student**. If you set up the MySchoolBucks account, you are able to **receive email alerts** of low balances.
