Homework

We will not have weekly homework. There will be projects completed throughout the year as well as vocabulary assessments. Students may have to work on projects at home and should study vocabulary words outside of the classroom.

8th ELAR and 7th Reading Class - SSR

Students will be required to read the first 10 minutes of every class. We call this silent, sustained reading or SSR. Students must have a book every single day. Books can be checked out from the library, brought from home, or students can read a book from my classroom.

Assessments

Each Friday students will be given an assessment on the skill(s) taught for the week. If your child is absent they are responsible for setting up a time with the teacher to make up the work.

Late Work Grading Policy

1 day late - 70
2 days late- 50
Beyond 2 days late - will not be graded
