**Note to administrator:** This notice must be sent to each parent or guardian before a policy authorizing trained individuals to administer District-provided, unassigned epinephrine auto-injectors is implemented by the District, and before the start of each school year. Aug 5, 2020 (date)

Dear parent or guardian:

In accordance with Chapter 38, Subchapter E of the Education Code, the Board of Muenster Independent School District has adopted a policy to allow authorized *school personnel* who have been adequately trained to administer an unassigned epinephrine auto-injector to a person who is reasonably believed to be experiencing an anaphylactic reaction.

Authorized and trained individuals may administer an epinephrine auto-injector at any time to a person experiencing anaphylaxis on a school campus.

The District will ensure that at each campus a sufficient number of school personnel and volunteers are trained to administer epinephrine so that at least one trained individual is present on campus during regular school hours and whenever school personnel are physically on site for school-sponsored activities.

---

Authorized and trained individuals may administer an unassigned epinephrine auto-injector to a person experiencing anaphylaxis (*at an off-campus school event or while in transit to or from a school event*) when an unassigned epinephrine auto-injector is available.

If you have any questions regarding this notice, please feel free to call Brandi Richardson, School Nurse at 940-759-2281 (626).
